

It's time to take a bow

September 2022

Things were changing, when
you expect they won't
But you have taken care of it
Unexpected duties came your
way
But you have hoisted the white
flag

Take a seat and let it flow
Look around to see the glow
'cause you can never turn back
time
Buddies came to let you know
You deserve this one-man-show
Now it's time to take a bow

They say modesty is your
second name
There's an echo that remains
Sitting back and resting, is not
your way
You preferred the faster lane

Take a seat and let it flow
Look around to see the glow
'cause you can never turn back
time
Buddies came to let you know
You deserve this one-man-show
Now it's time to take a bow
Now it's time to take a bow

Instrumental

Take a seat and let it flow
Look around to see the glow
'cause you can never turn back
time
Buddies came to let you know
You deserve this one-man-show
Now it's time to take a bow

We know modesty is your
second name
We love the echo that remains
We are here now to make it
clear
Now it's time to take a bow

Take a seat and let it flow
Look around to see the glow
'cause you can never turn back
time
Buddies came to let you know
You deserve this one-man-show
Now it's time to take a bow
